# Tips to protect your lawn from the freeze!

- **Add cool-season annuals to brighten your garden through winter.**
- **In warmer parts of Texas, transplant cool-season vegetables and enjoy a late fall harvest.**
- **Locate drainage and cutoff valves to protect pipes and irrigation systems before freezing temperatures arrive.**

# 15% OFF ALL SERVICES

During the month of March we at Ortiz Tree & Landscaping are offering a 15% discount on all services as a way to give back to our community.

Don't wait, give us a call or go on our website and get a quote today!
